SUPPLEMENTAL INFORMATION
DISCLOSURE STATEMENT UNDER 37 C.F.R. § 1.97(b)(4)

Pursuant to 37 C.F.R. §§ 1.56 and 1.97(b)(4), Applicants bring to the attention of the Examiner the documents listed on the attached IDS Form PTO/SB/08. This Supplemental Information Disclosure Statement is being filed under the provisions of 37 C.F.R. § 1.97(b)(4), before the mailing of a first Office Action after the filing of a Request Continued Examination under 37 C.F.R. § 1.114.

Copies of the listed foreign patent documents and non-patent literature documents are attached.

RU 2 074 269 C1 - This document was cited in an Office Action issued by the Russian Patent Office on December 14, 2007, in a Russian counterpart to the above-referenced application, Russian Application No. 2005123374/02(026337). Applicants

have listed the Office Action on the attached IDS Form PTO/SB/08 and have attached an English-language translation of the Office Action. Further, the relevance may also be provided by the attached copy of an English-language Abstract of the document.

RU 2 084 556 C1 - The relevance of this document may be provided by the above-referenced Russian Office Action. Further, the relevance may also be provided by the attached copy of an English-language Abstract of the document.

RU 2 096 101 C1 - The relevance of this document may be provided by the above-referenced Russian Office Action. Further, the relevance may also be provided by the attached copy of an English-language translation of the document.

RU 2 137 869 C1 - The relevance of this document may be provided by the above-referenced Russian Office Action. Further, the relevance may also be provided by the attached copy of an English-language Abstract of the document.

Ivanovsky, G.F. et al.. "Ion-plasma Treatment of Materials" - The relevance of this document may be provided by the above-referenced Russian Office Action. Further, the relevance may also be provided by the attached copy of an English-language translation of a portion of the document.

This submission does not represent that a search has been made or that no better art exists and does not constitute an admission that each or all of the listed documents are material or constitute "prior art." If the Examiner applies any of the documents as prior art against any claim in the application and Applicants determine that the cited documents do not constitute "prior art" under United States law, Applicants reserve the right to present to the U.S. Patent and Trademark Office the relevant facts and law regarding the appropriate status of such documents. Applicants further reserve

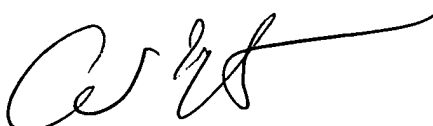

the right to take appropriate action to establish the patentability of the disclosed invention over the listed documents, should one or more of the documents be applied against the claims of the present application.

If there is any fee due in connection with the filing of this Supplemental Information Disclosure Statement, please charge the fee to our Deposit Account 06-0916.

Respectfully submitted,

FINNEGAN, HENDERSON, FARABOW,
GARRETT & DUNNER, L.L.P.
